## ~SPECIAL~

### LAGERSTROEMIA NATCHEZ

Crape Myrtle (White)

3 Gal ~ \$10

We are offering a limited quantity of a popular favorite at a fabulous price. They are currently 3/4' tall and 3' wide.

The Natchez Crape Myrtle produces clusters of large white flowers with a lovely summer to fall bloom. They are best grown in average, medium moisture, well-drained soils in full sun.

In addition to our wide selection of Buddleia, we have other native, natural pollinators in our inventory or on their way. Please call for availability.

- Acer (Maple)
- Amelanchier (Serviceberry)
- Cephalanthus occidentalis (Buttonbush)
- Cercis Canadensis (Eastern Redbud)
- Chelone glabra (White Turtlehead)
